

Parents Referral Programme Terms & Conditions

- The Parents Referral Programme is open only to parents of Taylor's International School (TIS).
- It is applicable for parents of all year groups.
- A new student is defined as a student enrolling for the first time at TIS from a family that has no other students currently enrolled at TIS.
- The referral incentive will be paid only after the new student has successfully completed one full term with the School.
- The referral incentive will be paid to the referrer by means of rebate in the next term tuition fees.
- In the case of family referral where the referees (2 or more students) may enrol in different terms, the referral incentive will only be rebated once all referred students are enrolled.
- Any claims for the referral incentive after a new student has already registered with TIS will not be accepted.
- The referrer will not be eligible to receive the referral incentive if the new student had left the School within the first term to transfer to another TIS campus or Taylor's School.
- It is also not applicable for referral made across the TIS campuses.
- The referral incentive is non-transferable to other students and non-exchangeable for cash.
- Referees are entitled to the on-going promotions that are offered by the schools during the time of application.
- TIS reserves the right to modify and withdraw the Parents Referral Programme at any time without notice or subsequent liability.
